KAB// Seating

SCIOX

The **New** Generation

KAB Seating has been designing and manufacturing suspension seating for industrial vehicles since 1968. KAB's expertise in seating was originally grounded in the Construction sector, expanding rapidly to include a wide range of commercial vehicle sectors. Today, KAB Seats are exported worldwide and are fitted as original equipment by many major vehicle manufacturers.

Over the years, KAB has worked closely with vehicle users and has gained knowledge and expertise of users' requirements. We are proud to use our expertise to present a new complete seating solution crafted for users of agricultural vehicles.

Our ScioX seat has been engineered to offer a best value solution with premium durability and sculpted cushions maintaining comfort all day long. Its air suspension system offers the driver protection from harmful vibrations and resulting bodily injury.

The ScioX range has taken inspiration directly from agricultural vehicle users. Feedback has been used to inform the design of the ScioX seat range. Extensive research and testing has been carried out to engineer a complete seating solution for vehicle users.

Key Features

One-Touch Height Adjustment

Seat Heater

Seat Lumbar Support

Fore/Aft Isolator

Operating Presence Sensor (OPS)

Seat Swivel

Adjustable Damper

Seat Ventilation

Cushion Tilt

Cushion Extension

Height Riser

Premium+

OVERVIEW

The top of the range seat offers vehicle operators an elite level of driving support. The Premium features a progressive variable damping system effectively protecting the operator from injury. Variable heat and ventilation offers comfort and improves operator productivity. Available with silver or coloured highlight stitching to match your branding.

FEATURES

- Air Suspension
- 150mm fore/aft adjustment with integrated isolator
- Progressive variable damper
- Operator presence sensor
- +/-20 degree swivel
- One Touch height adjustment
- Air Lumbar
- Variable 3 stage Heat and Vent
- Cushion tilt and Cushion extension
- Two tone leather with highlight stitch trim and highlight stitch
- Integrated adjustable armrests and backrest extension
- Optional seat belt kit
- Document Pouch

SCIOX

Premium

OVERVIEW

The SCIOX Premium seat shares all of the top of the range features above, but offers a part fabric, part leather trim combination.

Optional coloured stitching to match your branding

SCIOX

Super

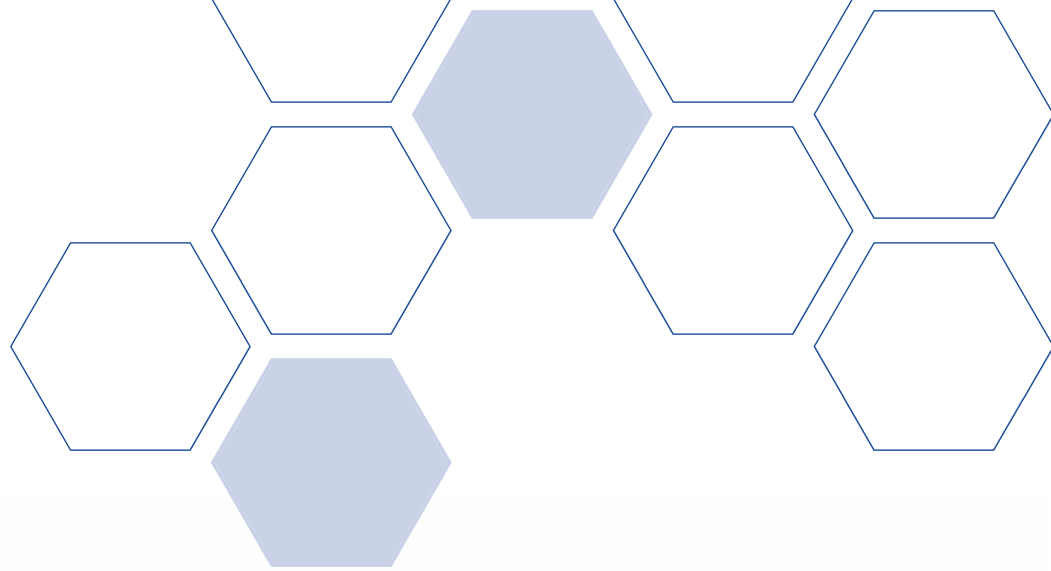

OVERVIEW

The Super represents an outstanding level of driving support. The seat offers all of the top-of-the-range variable damping technology, with a heater and mechanical lumbar available as standard. This makes the Super a firm seating option for maintaining driver comfort.

FEATURES

- Air Suspension
- 150mm fore/aft adjustment with integrated isolator
- Progressive variable damper
- Operator presence sensor
- +/-20 degree swivel
- Cushion tilt and Cushion extension
- Heater
- Height Riser
- Mechanical Lumbar
- Two tone contrasting fabric and highlight stitch
- Integrated armrests and backrest extension
- Optional seat belt kit
- Document Pouch

SCIOX

Super High

OVERVIEW

The Sciox Super High is a high back seating option, suitable for Spreader and Sprayer vehicles. The seat offers a variable damping mechanism which benefits the driver by protecting them from harmful vibrations and a heater which helps to improve driver concentration and productivity.

FEATURES

- Air Suspension
- 150mm fore/aft adjustment with integrated isolator
- Progressive single damper
- Operator presence sensor
- Heater
- Cushion tilt and Cushion extension
- Height Riser
- Mechanical Lumbar
- Two tone contrasting fabric and highlight stitch
- Integrated armrests and headrest
- Optional seat belt kit
- Document Pouch

SCIOX

Comfort

OVERVIEW

The Comfort constitutes a mid-range, affordable seat option whilst optimising operator comfort. The seat is suitable for a wide range of medium and large agriculture vehicles.

FEATURES

- Air Suspension
- 150mm fore/aft adjustment with integrated isolator
- Cushion Extension
- Height Riser
- Single damper
- Operator presence sensor
- +/-20 degree swivel
- Cushion tilt and extension
- Black Fabric
- Optional armrests, backrest extension and seat belt
- Document Pouch

SCIOX

Base

OVERVIEW

The Base is the entry level seat from KAB's Sciox seats, combining comfort and excellent value for money for agricultural vehicle users.

FEATURES

- Air Suspension
- 180mm fore/aft adjustment
- Single damper
- Operator presence sensor
- Height Riser
- Black Fabric and PVC
- Optional armrests, headrest and seat belt kit
- Document Pouch

KAB//Seating

Health and Safety

It is important that drivers of work vehicles are fully protected from harmful vibrations. KAB seats help to reduce the effect of these on the human body. Careful seat selection is important and through consultation with KAB Seating's network of Authorised distributors the appropriate seat choice can be made to fit most popular brands.

Installation

Care should be taken to ensure a correct installation is made and the seat suspension movements and adjustments are free from obstructions in the cab area.

Maintenance

KAB Seating provides a full range of service parts to ensure seats can be maintained properly, key wear items such as shock absorbers, seat cushions and air valves should be replaced on a regular basis in accordance with the type of usage, amount of usage and environmental factors.

Regular removal of dust and dirt from the seat and cabin will improve the longevity of the seat.
